**Why should you enter- Big Prizes are on offer , its quirky, it fun !!**

The Best Butt competition started off about 6 years ago as a "fill in" one night during a Mental as Anything concert which was part of the Dirt & Dust Festival.

Although no Major Sponsors have been signed off, lots of bites are happening, which could be a spins off from the recent win at the Tourism Queensland awards, where the Julia Creek Dirt & Dust Festival took out the award for **BEST FESTIVAL IN QUEENSLAND**, and will be heading to Hobart in Feb to take on the Australia's Tourism awards. Its all about Fun., We could of taken it to any Place but to kick off in the middle of the Outback is a great start.

There are 2 titles up for grabs- Female & Male. Their Butt can be any size., as its basically a performance like an Australian Idol or Australia you've got talent because to get to the finals you need a good crowd to cheer really loud.

At the end of the day, the winners (Male & Female) will hold the title for having AUSTRALIA'S BEST BUTT for a period of year and appear on all our promotional material for that year.

Funnily enough the most sort after position with the competition is the job as one of the judges., which brings me to my next announcement !! We are still looking for 1 judge for the Longreach heat and will be spreading the word, we can be paid off and we need someone with a bit of an eye for Talent.

Rules to enter the Australia's Best Butt : Must be over 18, Must be wearing jeans or long pants. Registration opens at 8pm at the Cattlemans Grill Bar.
